III.

FACTUAL BACKGROUND

5. On or about September 16, 2015, Sand was carefully and prudently operating a vehicle that was towing a trailer on IH-20 east in the Eastern District of Texas. Abbey was operating a commercial tractor trailer that was traveling directly behind the vehicle Sand was operating. Suddenly and unexpectedly, while his blinker was on and as Sand was applying his brakes and

exiting IH-20, Abbey's commercial tractor trailer violently rear ended the trailer being towed by Sand's vehicle. The violent jolt caused Sand's vehicle and trailer to lurch forward in a violent fashion. Sand was able to stop his vehicle.

6. After the DPS trooper, James Whitten, completed his investigation, Abbey was issued a citation for failure to control speed by trooper Whitten. Sand was not issued any citations in connection with this violent rear end wreck.

7. Abbey's failure to control his speed was the sole cause of the injuries, harms and losses sustained by Sand.

IV. CAUSES OF ACTION

FIRST CAUSE OF ACTION *Negligence*

8. At the time and place in question, SEL, by and through its employee and/or permissive driver, Abbey, was guilty of the following separate acts of negligence, each of which, singularly or in combination, were a proximate cause of the injuries, harms and losses alleged herein. Additionally, in the event it is determined that Abbey is not an employee of SEL, then he was a permissive operator and/or statutory employee of the tractor trailer owned or leased by SEL and was using it with SEL's knowledge, consent and approval. Further, Abbey was guilty of negligence for the following reasons:

- (a) Failing to maintain a proper lookout as a person using ordinary care would have done;
- (b) Failing to take evasive action as a person using ordinary care would have done;
- (c) Failing to operate the commercial motor vehicle as a reasonably prudent person would have done under the same or similar circumstances;

- (d) Failing to heed traffic laws as a person using ordinary care would have done under the same or similar circumstances;
- (e) Failing to ensure that he could stop safely prior to violently colliding with Plaintiff's vehicle;
- (f) Failing to control his speed;
- (g) Failing to timely apply his brakes;
- (h) Failing to follow at a safe distance; and
- (j) Failing to take appropriate action to avoid the wreck such as a reasonably prudent person would have done under the same or similar circumstances.

9. Plaintiff would show that SEL's omissions or acts through their officers, employees, or agents, as set forth herein and otherwise, constitutes negligence, each and all of which were a proximate cause of the crash and Plaintiff's resulting injuries, harms and losses. These acts and/omissions include but are not limited to the following:

- (a) Failing to develop and implement policies and procedures relating to the safe use of company vehicles by inexperienced employee driver's or inexperienced permissive drivers or hired hands over whom it exercised control;
- (b) Failing to adequately and/or properly train and supervise its employee drivers and/or permissive drivers and/or hired hands over whom it exercised control;
- (c) Failing to ensure that its employees, inexperienced permissive drivers and/or hired hands over whom it exercised control had the requisite amount of experience to operate a company vehicle;
- (d) Failing to adequately manage, direct, and/or supervise its employees, permissive drivers and/or hired hands over whom it exercised control;
- (e) Failing to adequately manage, direct, and/or supervise its management personnel, including employees, permissive drivers or hired hands;
- (f) Failing to exercise reasonable care in the supervision of employees, permissive drivers and/or hired hands over whom it exercised control;
- (g) Failing to reasonably exercise the supervisory right of its employees, permissive drivers and/or hired hands over whom it exercised control;

- (h) Failing to stop its employees, permissive drivers and/or hired hands over whom it exercised control from operating company vehicles in an unsafe manner and failing to instruct employees, permissive drivers and/or hired hands over whom it exercised control to operate company vehicles in a manner that would have prevented the serious injuries sustained by Plaintiff on the date of the wreck;
- (i) Failing to comply with its policies and procedures relating to conducting safety meetings with its employees, permissive drivers and/or hired hands over whom it exercised control;
- (j) Failing to properly implement Job Safety Analysis (“JSAs”) relating to the safe operation of company vehicles for its employees, permissive drivers and/or hired hands over whom it exercised control;
- (k) Failing to ensure a competent, adequately trained and experienced employee, permissive driver and/or hired hand over whom it exercised control, was operating the subject company vehicle prior to and on the date of the wreck;
- (l) Failing to ensure a competent supervisor or other worker was assigned and was working at all times to safely monitor its employees, permissive drivers and/or hired hands over whom it exercised control, to ensure employees, permissive drivers and/or hired hands over whom it exercised control;
- (m) Failing to require its agents, servants, employees, permissive drivers and/or hired hands over whom it exercised control could properly and safely operate company vehicles on the date of the wreck;
- (n) Failing to have policies and procedures in place that would prevent its employees, permissive drivers and/or hired hands over whom it exercised control from using a cell phone or other electronic device while attempting to operate a company vehicle;
- (o) Failing to develop and/or implement a post-accident drug testing policy for its employees, permissive drivers and/or hired hands over whom it exercised control;
- (p) Failing to perform a post-accident drug test or take other remedial action relating the Defendant Sand after the wreck;
- (q) Failing to implement and enforce a “distracted driver” policy to ensure that its employees, permissive drivers and/or hired hands over whom it exercised control would not operate a company vehicle while operating any electronic device or otherwise being distracted while driving, including cell phones, personal digital devices, iPad, iPhones or other electronic devices;

- (r) Failing to demand that Defendant Abbey undergo remedial driver training after the incident that makes the basis of Plaintiff's claims occurred;
- (s) Failing to ensure that a safety meeting occurred prior to Defendant Abbey's operation of the company vehicle on the date of the wreck;
- (t) Failing to keep records in compliance with its document retention policy;
- (u) Failing to conduct a proper road test of Abbey per the applicable Federal Motor Carrier Safety Regulations ("FMCSR");
- (v) Committing other acts and/or omissions of negligence, which will be specified at the time of trial.

10. All of the above identified acts or omissions on the part of SEL and/or its agents, servants, employees, permissive drivers and/or hired hands over whom it exercised control, including Abbey, was or were a proximate cause of the wreck that makes the basis of this lawsuit and the resulting injuries, harms and losses sustained by the Plaintiff.

11. Plaintiff would show that each of the foregoing acts and/or omissions constituted negligence and that one, more than one, or all of such acts and/or omissions and various combinations thereof were a proximate cause of the wreck, and the serious, debilitating and life altering injuries, harms and losses sustained by Plaintiff.

SECOND CAUSE OF ACTION
Negligence Per Se

12. The occurrence made the basis of this suit and the Plaintiff's resulting injuries and damages were proximately caused by the *negligence per se* of Defendants, SEL and Abbey in one or more of the following respects:

- (a) An operator shall, if following another vehicle, maintain an assured clear distance between the two vehicles so that, considering the speed of the vehicles, traffic, and the conditions of the highway, the operator can safely stop without colliding with the preceding vehicle or veering into another vehicle, object, or person on or near the highway. § 545.062, Tex. Tran. Code Ann. (2012).

13. At all times material to this cause of action, Plaintiff belonged to that class of persons for whom said statutes were enacted to protect. Plaintiff would also show that each one of the foregoing acts and/or omissions constituted *negligence per se* and that one, more than one, or all of such acts and/or omissions and various combinations thereof were a proximate cause of the collision in question, and the serious, painful and permanent injuries sustained and damages incurred by the Plaintiff.

14. Plaintiff would further show that each one of the foregoing acts and/or omissions also constitute evidence of negligence and that one, more than one, or all of such acts and/or omissions and various combinations thereof were a proximate cause of the violent incident in question, and the serious, painful and permanent injuries, harms and losses sustained by the Plaintiff.

THIRD CAUSE OF ACTION
Negligent Entrustment

15. Plaintiff alleges that, SEL negligently entrusted the tractor trailer truck involved in this incident to Abbey. Defendant SEL exercised control of whom was allowed to operate the tractor trailer Abbey was permissively operating at the time of the incident. Plaintiff asserts that SEL entrusted the tractor trailer to Abbey on the date of the incident, that Abbey was an unlicensed, incompetent or reckless driver at the time of the entrustment, that SEL knew or should have known Abbey was an unlicensed, incompetent, or reckless driver, that Abbey was negligent in causing the incident and that Abbey's negligence in causing the incident was a proximate cause of Plaintiff's injuries, harms and losses.

V.
OTHER PLEAS

Statutory Employee

16. At all times material to this cause of action, Abbey was for all purposes a statutory employee of SEL as contemplated by both the Federal Motor Carrier Safety Responsibility Act (“FMCSR”) and Texas statute. An employer, as defined by FMSCR, “means any person engaged in a business affecting interstate commerce who owns or leases a commercial motor vehicle in connection with that business...” 49 C.F.R. § 390.5 (1997). Texas has incorporated, by reference, Parts 382, 385, 386, 390-393, and 395-397 of the Federal Motor Carrier Safety Regulations. *See* 37 Tex. Admin. Code § 3.62(a) (1996) (“The director of the Texas Department of Public Safety incorporates, by reference, the Federal Motor Carrier Safety Regulations, Title 49, Code of Federal Regulations, Parts 382, 385, 386, 390-393, and 395-397 including amendments and interpretations thereto.” SEL is thereby vicariously liable for the negligent actions of Sand.

Respondent Superior

17. At all times relevant hereto, Abbey, was in the course and scope of his employment with SEL and/or one of the companies owned or controlled by SEL and/or was under SEL’s supervision, direction and control as a permissive operator of the truck he was operating and/or the statutory employee of SEL at the time of the wreck, thereby rendering SEL vicariously liable for the actions of its employee and/or permissive user and/or hired hand and/or statutory employee, Abbey.

VI.
DAMAGES

18. Sand suffered serious injuries when suddenly and unexpectedly was violently rear ended by the 18 wheeler being operated by Abbey. As a result of this incident, Sand sustained injuries, harms and losses which include, but are not limited to: physical pain and mental anguish sustained in the past and that, in reasonable probability, will be sustained in the future; physical impairment sustained in the past and that, in reasonable probability, will be sustained in the future; disfigurement sustained in the past and that, in reasonable probability, will be sustained in the future; loss of earning capacity in the past and that, in reasonable probability, will be sustained in the future, medical care expenses in the past and that, in reasonable probability, will be sustained in the future and loss of household services sustained in the past and that, in reasonable probability, will be sustained in the future.

VII.

WHEREFORE, PREMISES CONSIDERED, Plaintiff prays that Defendants be cited to appear and answer herein, and that upon final trial, Plaintiff have a judgment against Defendants, for all damages described above and in the full amounts allowed by law, as well as the following:
